

**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

DOMINIC ANTHONY MARROCCO,

Plaintiff(s),

vs.

MARK A. HILL, et al.,

Defendant(s).

Case No. 2:12-cv-0028-JCM-NJK

ORDER

The Court has received a “supplemental affidavit” that appears to seek attorney’s fees and costs in relation to opposing objections to the order granting Plaintiff’s counter motion to compel. *See* Docket No. 59. Because the affidavit fails to comply with Local Rule 7-2, it is hereby DENIED without prejudice. To the extent Plaintiff seeks such relief, he should bring a proper motion.

IT IS SO ORDERED.

DATED: May 17, 2013

NANCY J. KOPPE  
United States Magistrate Judge
